

**“How to...” Document for Course Selection Process for grade 9 Students and Parents**

For students going into grade 10 in September 2021, go to the Dr J website to see the various options for course selection, which includes a total of 8 credits (7 or 8 courses, depending on the Mathematics chosen) and an alternate course... for example, French Immersion, Pre-International Baccalaureate, regular choices, etc. Staff members (Admin and Guidance) will be checking course selection for each Grade 9 and making sure it is complete and appropriate. We ask that you attempt to complete this by **Monday, March 8, 2021**.
